

Have A Safe And Happy Halloween!!!!

Be afraid of all the scary candy waiting for you behind closed doors. Look out for the bad and ugly foods that are sticky, gooey, crunchy, and gummy.

They may look good but don't be taken in by the sweet taste and bright fun colors. They are BAD! Stay away, stay far away, and don't give in to temptation.

Pumpkin Patch Brownies

Ingredients:

- 1 box of instant brownie mix
- 1 bag candy pumpkins
- 1 tube green decorating gel
- 1 tube orange decorating gel

Directions:

Follow brownie mix package directions and bake in a 9"x13" pan. Cool for 20 minutes; remove from dish. To create a pumpkin patch, place pumpkin candies one inch apart all over surface. Draw lines (vines) with green gel and accent with orange gel as desired.

Orthodontic patients should remove candy pumpkins before eating!

A monsters drink

Ingredients:

- 1 ¼ cup milk
- 1 tablespoon chocolate syrup
- 1 large scoop chocolate ice cream
- 1 large scoop vanilla ice cream
- 2 Oreo cookies, finely crushed
- 1 soft ghost-shaped marshmallow

Directions:

Combine milk, chocolate syrup and both scoops of ice cream in a blender. Mix well and pour into clear glass.

Sprinkle a layer of the finely crushed cookies onto the top of the shake.

Then, set the ghost-shaped marshmallow in the shake to make it appear as though it's rising out of the top.

Serve immediately.

Makes one serving.
