Family Wish Lists

As Christmas quickly approaches, we all anticipate the day of celebration when family and friends come together to be with loved ones. The spirit of Thanksgiving, however, goes far beyond the celebration; it is a time of reflection, when we realize all that we have to be thankful for.

There are many families in the area who are not as fortunate. In keeping with our tradition, Dr. Weber's office will be adopting 2 families in need to brighten their holiday season. We have enclosed Holiday Wish Lists for both families. We will be accepting donations from now until December 18th, 2009.

As always, your generosity is greatly appreciated.

In closing, we would like to thank each and every one of you for allowing us to serve you and become part of your lives. May your family and friends have happiness and good fortune throughout the coming year!

We are also still taking donations for our food drive.

Help bless needy families this coming holiday by donating canned and non perishable foods. 1 can or 1 box can make a difference in a Family's life and table this holiday season.

Your donations will go to the Wheaton's own Food Pantry and needy families. So together lets help to make a difference in someone's life Thanksgiving and Christmas.

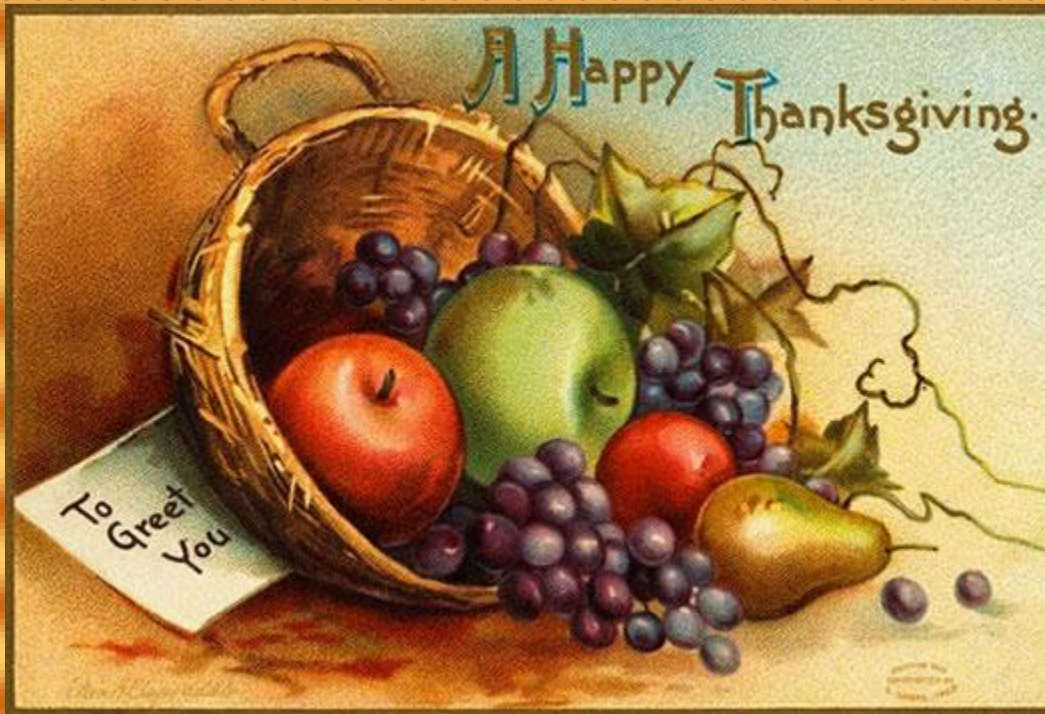

Wising everyone a bountiful Thanksgiving.

Win the new ipod Nano!

Thank you to everyone for continuing to refer new patients to us. It is because of YOU that we can keep on doing what we love to do! We want to continue to show our appreciation to everyone who refers patients to our office; therefore, we will be having a drawing for the new ipod nano. Here's how it works: refer a friend, family member, classmate, neighbor or co-worker to Dr. Weber. When we see them at their first exam, your name will be entered to win the cool new ipod nano that everyone is raving about. Make sure your friends mentions your name at their exam. The more times your name is entered, the better your chances of winning will be! THANK YOU AGAIN for your continued support!
